

Vrindavan Nagari - Boisar

The Dreamland Where Hundreds of Dreams Come True

- Exquisite modern designs and grand advanced architecture welcome you to the Dreamland of Vrindavan Nagari...
- Open and spacious contemporary designs in living and social spaces, Vrindavan Nagari brings to you a brand new way of looking at life.
- The name is based on the land of Lord Krishna, where he spent the days of his childhood and youth playing with the beautiful Gopis.
- This modern structure set in the heart of the rapidly developing suburb of Boisar, is no less than fit for Gods...
- Expect a ravishing variety of designs combined with the most up-to-date facilities at this little haven than you can call home.
